

2012 PREQUALIFICATION CHECKLIST

For your convenience, place a checkmark next to the completed general items listed below, all categories being requested for prequalification and next to all licenses, certifications and registrations that you've included current copies of.

Please be advised that all required licenses/certifications/registrations must be current and valid, and copies must be included in your prequalification submittal in order to become prequalified in the requested categories. Please refer to the 2012 Prequalification Category Descriptions and Requirements document for the required licenses, certifications, and registrations for each category.
